35 From the D.C Kadur Ltr no A3 C 3574-263/42-3 of 16 2 1942 requesting Govt to reconsider the order passed by Govt regarding the payment of Travelling allowance to the Municipal Committee who waited on a deputation on the Minister

-1 The decision of the Municipal Council was turned down as it was considered that the members are not entitled to the T-A and that they should consider it as Honorary work (vide Mr Collector's D-42 placed below)

✓ The Municipal Council have also resolved that T A may be granted as the deputation was reasonable and in the interests of the Municipal work. Kind reference is invited to the D.M.'s of 26 1 1939 and the discussions leading to the issue of the same. It is understood that, in some cases, such deputations as Municipal expenses would be necessary whether, as the circumstances in the present case could be considered to be the case in relation to the Concession contemplated in the D.M. is a point for orders

Ltd 3 There are no reasons to ~~the Govt~~ to reconsider the orders already passed in the matter of the members of the deputation who were actuated with ideas of public spirit & public service. They would not certainly have asked for a reconsideration
